To

N. Madhava Rao Esq B.A., B.L.,
Private Secretary to the Dewan of
Mysore, Bangalore.

Dear Sir,

I wish to wait upon the Dewan in order to represent the circumstances of my case in connection with the Re-organisation Scheme of the Public Health Department. I shall be obliged if you can kindly let me know whether I can have an interview tomorrow. If no interview can be arranged before final orders are passed, I request that the following facts may kindly be brought to the notice of the Dewan.

I learn that , in the reorganisation of the Public Health Department, it is contemplated to remove my name from the cadre of Health Officers and to assign me the place of District Sanitary Officer on a salary of Rs. 360 plus Rs. 40/- as personal allowance in lieu of consolidated pay of Rs. 400/-. This arrangement deprives me not only of the increase of salary I should have rightfully expected, but also involves loss of status which I have had ever since my entertainment in service.

A reference to the Civil List will show that I stand next to Mr. A.K. Pani in service and emoluments. If my information is correct, I am to be vitually degraded to a lower status than that which I held throughout my service. That being graded as a District Sanitary Officer, I not only lose my status but also my travelling allowance &c.

This is not all. Those that were entertained after me on lesser emoluments and still drawing less pay, are, I am told, to supersede me as Health Officers on higher emoluments in the Rs 400-700 grade in the present reorganisation.

(6

This entails unmerited hardship upon me seeing that I have put in over 12years' service as Health Officer and have only two years more to retire. Had it not been for this re-organisation, I should have continued until my retirement as Health Officer over and above these persons in rank who are now to supersede me. I am not aware of an instance, where an officer in service of long standing has been made to suffer a loss of pay, prestige and status in the operation of a Re-organisation scheme.

I have in the whole course of my official career used my best endeavours to loyally and faithfully discharge the duties assigned to me in the various capacities, I hitherto held and am still capable of performing the duties of a Health Officer in any of the cities of the State. A trial therein would bear out my statement.

It would be superfluous on my part to mention that the qualifications I hold in Public Health are in no way inferior to those of the persons who are to supersede me the Government of Madras having laid down that the Madras University Degree of L.S. Sc. or B.S.Sc is to be on a par with D.P.H. in filling the posts of First Class Health Officers in its service. Besides, when once a person is enter-tained in service and continues therein, distinctions of University Qualifications in a junior are never made the basis of supersession of a senior in any Re-organisation Scheme.

If, for reasons best known to Government, it be deemed necessary to supersede me in the manner contemplated and that I cannot be placed in the cadre of Health Officers even as a supernumerary hand, I pray, that in order to safeguard my interests, Government may be pleased to maintain my status of office as hitherto so that I may not suffer any loss in the matter of travelling allowances and privileges &c

I, further pray that, in order that I may not be placed at a disadvantage in respect of the emoluments of my

office,

(7)

office to the juniors that are to supersede me, I may be granted if not in the shape of pay, a personal allowance of Rs. 130/- which would be equivalent to Rs. 40/- the personal allowance now proposed plus the three increments of Rs. 30/- which I should have earned as Health Officer standing in the Civil List next to Mr. Pani.

Yours faithfully,

B. Krishnamurthy

Health Officer,
Kadur District.
